Huddersfield Central Cricket League

Procedures for Player Loan Scheme (Between Clubs in Huddersfield Central Cricket League Only)

With a view to increasing participation in **league matches**, the Huddersfield Central Cricket League will permit players registered with one club to play for another club in the circumstances outlined below.

- The player on loan can only play in a 'B' team fixture.
- The player on loan must not be a first team player. They must have played more 2nd XI games than 1st XI games.
- No player can be loaned after the transfer deadline date being 31 July 2015.
- The loaning club (being the club that are allowing their player to play elsewhere) must email the Registration Secretary and copy in the borrowing club **no later than 12 noon on match day**. The email must include details of the player being loaned.
- The player on loan must be clearly identified on the team sheet.
- The loan period lasts for the duration of the specified match. Any further use must be re-reported as above.
- Any player on loan shall not be permitted to transfer to their borrowing club during the current season without the specific permission of the loaning club and the Management Board.
- Any breach of these procedures will be considered a breach of **Rule 7F** and punished accordingly.

It is expected that clubs will abide by the spirit of cricket and the spirit of these procedures for the season 2015, after which further assessment can be made. It is anticipated that updates to the website and the forthcoming introduction of social media will enable clubs to identify potential/available players to loan.

HCCL Man Board April 2015

President

J. Carson (Mr)
3 Owler Meadows
Heckmondwike
