MINUTES

The minutes of the meeting held on 8 September 2010 had been circulated and were accepted as a true record.

MATTERS ARISING

Edgerton & Dalton v Flockton - 5 September 2010 – E & D had now admitted the offence of playing an ineligible player – 6 points awarded to Flockton.

League Secretary to send them an appropriate letter of warning regarding any further breaches.

Thurstonland v Edgerton & Dalton – 7 August 2010 – No report received from Thurstonland regarding conduct of an E& D player in this game, therefore the matter is now closed.

Nortonthorpe – Letter now received from Nortonthorpe explaining the situation regarding match reports given to the press and remarks made against umpires. Nortonthorpe wish to make it clear that the views expressed are not those of the club and they have dealt with the matter internally. The Management Board accepted their explanation and the matter is now closed.

CORRESPONDENCE

An email had been received concerning 'sledging' that was happening in some games and how it should be dealt with. This had already been dealt with at an Umpires meeting and The Management Board concurs with their decision that any incidents should be promptly dealt with by umpires and Captains.

Letter sent out to Denby Grange, Gawthorpe St Mary's and Thornhill & Westborough asking for their confirmation that they will be running a second XI next season.

Halifax League Discipline – Javed Iqbal of Greetland CC is currently serving a ban for misconduct so should not be registered by any club in the HCCL.

Amended MCC rules of cricket – These were discussed, in particular relating to games affected by weather and bad light. Decided that as a league we will continue to be guided by the rules in our handbook.
