MATTERS ARISING

There were no matters arising.

LEAGUE MEETING MINUTES

These minutes were read out by the Chairman and it was noted that Dr Davis' book was still being prepared but Dr Davis had not been well of late.

The minutes also informed umpires about helmets and face masks for youngsters. Under 18s have to wear a helmet for stumping but not a face mask. If Under 18s could wear face masks they would have to have a British kite mark but there are no masks available with the British kite mark sign.

MANAGEMENT BOARD MINUTES

The Chairman read out the relevant minutes of the Management Board Meeting which were of interest to umpires.

HANDBOOKS

The handbooks were distributed to all umpires.

GROUND REPORT SHEETS

Stuart Hawden addressed the meeting asking if umpires wouldn't mind filling in a ground report sheet. These sheets can be sent to Stuart Hawden direct or brought to a monthly meeting.

CORRESPONDENCE

There was a letter from the League explaining why the Management Board had not upgraded the umpires' expenses.

ANY OTHER BUSINESS

Ian Livesey addressed the meeting about membership to ECB ACO and CRB checks that Headquarters had seemed to have had a hiccup in the lists of members that they were sending out.

TRAINING OFFICER

Gary Rank, our Training Officer, gave a talk on Team Sheets (Change of Law).
