MATTERS ARISING

- The President raised a point about the content in the minutes and asked if they could be elaborated on a bit more.
- A letter was sent out about the law of the toss and a discussion took place.
- It was brought up by a member about clubs repairing pitch ends at the interval. It was asked did clubs have the facilities to do this and it was hoped they had.

MANAGEMENT BOARD MINUTES

The Chairman read out the minutes of the Management Board meeting and gave his opinion of what referred to umpires.

- Old Almondburians A have requested that their away game with Woodfield Park A on Saturday, 25 June 2011 be replayed given that there was no roller available to roll the wicket after Woodfield Park's first innings. The Management Board have carefully considered Old Almondburians letter and the response from Woodfield Park. The result stands however a letter to be sent to Woodfield Park.
- Correspondence received from Badger Hill that the wicket and boundary lines had not been marked out when they visited Leymoor on Saturday, 25 June 2011. In the event, the umpires, because of bad weather, called off the game at 3.15 pm, nevertheless, the ground should have been prepared. In view of the fact that similar instances have occurred previously, a letter will now be sent to Leymoor.

- Letter received from Silkstone reporting unsportsmanlike behaviour by Bradley & Colne players when they were spectators at the game between Birchencliffe B and Silkstone B on Saturday, 25 June 2011. Letter to be sent to Bradley & Colne.
- The umpire at the game between Upper Hopton B and Woolley B on Saturday, 18 June 2011 has reported verbal abuse by an Upper Hopton player. Upper Hopton held an internal disciplinary hearing and the Management Board accept the findings of the hearing on this occasion. However, if further incidents occur this event will be taken into account. Letter to be sent to Upper Hopton.
