

Full League Meeting  
Tuesday 20 October 2015  
Flockton Green WMC

- Attendance:** Apologies received from Phil Senior, Stuart Hawden, Clive Barrett and Neil Heppenstall. Representatives from Bradley and Colnebridge CC, Denby Grange CC and Mount CC failed to attend the meeting.
- Sponsorship:** Arrow Selfdrive have confirmed that they will no longer be sponsoring the Huddersfield Central Cricket League. The Management Board are grateful to Arrow Selfdrive for their support over a number of years. The Management Board are actively seeking new sponsorship.
- Yorkshire Cancer Research:** YCB have teamed up with Yorkshire Cancer Research to raise awareness of skin cancer and to fundraise for the very worthy charity. Sophie Bunker (from Yorkshire Cancer Research) explained how clubs can get involved with the charity and what clubs can do to help. All clubs should take this into consideration. Please contact Sophie (on [sophieb@ycr.org.uk](mailto:sophieb@ycr.org.uk) or 07470 057493) for further information.
- Presentation of Cheques:** The winners of each section were presented with their cheques and congratulated on their success.
- Proposed Rule Changes:** The proposed rule changes were handed to clubs and briefly discussed. Clubs are reminded that, at the AGM on 24 November 2015, there will be no discussions in respect of the proposed changes. There will simply be a vote and the changes will be decided. If anyone has any queries before the AGM, they should speak with a member of the Management Board.
- Future Structure of League:** At present, it looks likely that the league will be made up of 14 clubs next season. One of those clubs will probably only have one team. The Management Board, as always, is committed to running the Huddersfield Central Cricket League in the best possible way. The current proposal is to have one section consisting of 'A' teams and another section consisting of 'B' teams but this is yet to be confirmed. Further details will follow at the AGM on 24 November 2015.
- Pyramid System:** The Huddersfield Central Cricket League has, in accordance with the vote in favour of it, signed up to be a part of the YCB's pyramid system. Since doing so, we have had very little information about how, in practice, our involvement will work. We are also awaiting confirmation as to what criteria will need to be met if a club from the Huddersfield Central Cricket League wants to progress up the pyramid. In the interim, the Management Board has attempted to have discussions with the Drakes League about how we could work together. Unfortunately, despite a positive initial meeting, these discussions have not been successful.
- Accounts:** All clubs have been sent their annual accounts for payment as soon as possible. The Management Board is pleased and grateful that most clubs have already paid in full. A number of clubs are yet to pay though and those clubs should note that payment must be received no later than 31 October 2015.
- Any Other Business:** Clubs are reminded to ensure that their insurance is up to date and that their pavilions and storage containers are properly locked and secure as we approach winter. In the meantime, any clubs who have already renewed their insurance should send a copy of the new policy documents to Neil Heppenstall as soon as possible.
- Next Meeting:** The annual general meeting will be held at Flockton Green WMC on 24 November 2015.
