GUEST SPEAKER.

The Chairman then introduced our Guest Speaker Philip Ratcliffe who was not only Chairman & a Director of YCB, Northern Regional ACO Delegate to ECB but also an active Umpire in the Bradford League.

Philip gave us an insight into how he became involved in Cricket initially due to there being a Full House at an Ashes Test Match at Headingley & his father taking him to watch Lightcliffe C.C. instead & the rest is history so to speak. This led to the start of the process from Scorer to Player & then accepting his talents were limited much like most of us he then decided to take up Umpiring & became a qualified member of the ACUS after passing his exams. This led him into a long & interesting yet unfinished time as a Bradford League Umpire with him having officiated all of the Major Competitions & met some interesting Test & County players.

AOB.

1. Gary Rank gave a short run through with regards to the Lightening issue & although it was the Umpires decision it was safer to come off the field of play if lightening occurred.
2. Brian Cooper asked for Umpires to contact him for if they were available for the 2nd Round of the Allsop & Tinker Cup Competitions on the 1st June 2014.

DATE OF NEXT MEETING.
